Land law is the form of law that deals with the rights to use, alienate, or exclude others from land. In many jurisdictions, these kinds of property are referred to as real estate or real property, as distinct from personal property. Land use agreements, including renting, are an important intersection of property and contract law. Encumbrance on the land rights of one, such as an easement, may ...

Land law - Wikipedia

The phrase law of the land is a legal term, equivalent to the Latin *lex terrae*, or *legem terrae* in the accusative case. It refers to all of the laws in force within a country or region, including statute law and case-made law.
