If you specify dimensions on the <embed> element directly, you will lose the ability to resize the element via CSS, because the inline styles will always take precedence over the other styles in your file. Therefore it is recommended that you specify dimensions using external CSS rules, as shown here. Note: PDFObject automatically appends the class pdfobject to the <embed> element, and ...

Crowdsourcing is a sourcing model in which individuals or organizations obtain goods and services. These services include ideas and finances, from a large, relatively open and often rapidly-evolving group of internet users; it divides work between participants to achieve a cumulative result. The word crowdsourcing itself is a portmanteau of crowd and outsourcing, and was coined in 2005.

Renovation (also called remodeling) is the process of improving a broken, damaged, or outdated structure. Renovations are typically either commercial or residential. [citation needed] Additionally, renovation can refer to making something new, or bringing something back to life and can apply in social contexts. For example, a community can be renovated if it is strengthened and revived.
