NATIONAL WATER POLICY - Tanzania Online Gateway

Limitations of the public health model. The evidence base regarding the efficacy of public health interventions is still relatively limited. However, there have been important gains in the last 30 years with some programs such as home visitation programs shown to be effective in reducing child maltreatment (Klevens & Whitaker, 2007; MacMillan et al., 2009; WHO, 2006).

Defining the public health model for the child welfare

Education in South Africa is governed by two national departments, namely the department of Basic Education (DBE), which is responsible for primary and secondary schools, and the department of Higher Education and Training (DHET), which is responsible for tertiary education and vocational training. Prior to 2009, these two departments were represented in a single Department of Education.
