The Liberal Arts Tradition: A Documentary History Pdf

The Liberal Arts Tradition: A Philosophy of Christian Classical Education also recovers the means by which classical educators developed more than just intellectual virtue (by means of the seven liberal arts) but holistically cultivated the mind, body, will, and affections. This is a must-read for educators who want to take a second big step toward recovering the tradition of classical education.

The Liberal Arts Tradition: A Philosophy of Christian

Liberal Arts Traditions The tendency to contrast the liberal and practical arts has included from the outset two competing traditions. One commentator calls them the philosophical and the oratorical.¹ Better might be the scholarly and the gentlemanly (it really was the exclusive domain of the gentleman). This yields three major liberal arts traditions.

Liberal Arts Traditions and Christian Higher Education

In this seminal course, Dr. Kevin Clark and Ravi Jain (authors of The Liberal Arts Tradition) take us through a thoughtful, clear presentation of a paradigm for the tradition of classical, Christian education. Clark and Jain emphasize that the seven liberal arts are "not enough" to capture the classical tradition of education but that the liberal arts exist within the larger context of a ...
