Classical liberalism is a political ideology and a branch of liberalism which advocates civil liberties under the rule of law with an emphasis on economic freedom. Closely related to economic liberalism, it developed in the early 19th century, building on ideas from the previous century as a response to urbanization and to the Industrial Revolution in Europe and the United States.

I'm sure there were weeks, in February or March 1933, when the educated, liberal Germans commiserated with each other over the latest outrages of their new Chancellor, but consoled themselves that at least none of it was going to affect them personally.. This time, it's taken just five days, since the hostile takeover of the US by its worst elements, for edicts from above to have actually ...
