

list of drafted men pdf

Conscription, sometimes called the draft, is the compulsory enlistment of people in a national service, most often a military service. Conscription dates back to antiquity and continues in some countries to the present day under various names. The modern system of near-universal national conscription for young men dates to the French Revolution in the 1790s, where it became the basis of a very ...

Conscription - Wikipedia

Conscription in the United States, commonly known as the draft, has been employed by the federal government of the United States in five conflicts: the American Revolution, the American Civil War, World War I, World War II, and the Cold War (including both the Korean War and the Vietnam War).The third incarnation of the draft came into being in 1940 through the Selective Training and Service Act.
