Providing educators and students access to the highest quality practices and resources in reading and language arts instruction.

ReadWriteThink - ReadWriteThink

The earliest forms of written communication originated in Serbia (Vinča culture), followed by Sumer, located in southern Mesopotamia about 3500-3000 BCE. During this era, literacy was "a largely functional matter, propelled by the need to manage the new quantities of information and the new type of governance created by trade and large scale production".
