Observation: Popularity of scratch-off lottery tickets remains high despite their low odds of winning. The attraction of exponentially increasing an investment of \$1 with no skill involved draws people to these games. Hypotheses: If a \$1 scratch-off lottery game is played 100 times, the player is likely to lose money in the end. Most people playing the game will eventually lose money ...

A lottery is a form of gambling that involves the drawing of numbers for a prize. Lotteries are outlawed by some governments, while others endorse it to the extent of organizing a national or state lottery. It is common to find some degree of regulation of lottery by governments; the most common regulation is prohibition of sale to minors, and vendors must be licensed to sell lottery tickets.
