The Marketing Book - Yola

Digital marketing is the marketing of products or services using digital technologies, mainly on the Internet, but also including mobile phones, display advertising, and any other digital medium.. Digital marketing's development since the 1990s and 2000s has changed the way brands and businesses use technology for marketing. As digital platforms are increasingly incorporated into marketing ...

Social media marketing is the use of social media platforms and websites to promote a product or service. Although the terms e-marketing and digital marketing are still dominant in academia, social media marketing is becoming more popular for both practitioners and researchers. Most social media platforms have built-in data analytics tools, which enable companies to track the progress, success ...

Digital marketing is going to change drastically in 2019. And sadly, you aren't going to like a lot of the changes. And no, I don't mean change from a competition standpoint. You already know that each year marketing gets more expensive and more competitive. That's just a given. Just look at the graph above: that's [!]
