The mass media is a diversified collection of media technologies that reach a large audience via mass communication. The technologies through which this communication takes place include a variety of outlets. Broadcast media transmit information electronically via media such as films, radio, recorded music, or television. Digital media comprises both Internet and mobile mass communication.

Mass media - Wikipedia

In cultural studies, media culture refers to the current Western capitalist society that emerged and developed from the 20th century, under the influence of mass media. The term alludes to the overall impact and intellectual guidance exerted by the media (primarily TV, but also the press, radio and cinema), not only on public opinion but also on tastes and values.

ELOW youâ€™ll find some books about the Mass which will knock you off your feet! Whatâ€™s funny is that the first two were designed for children, but I think theyâ€™re marvelous even for adults. The first one is a 1954 cartoon featuring lovely spiritual reflections by Capuchin Fr. Demetrius Manousos.
